October 2015

Dear Parents/Guardians

Following our inspection last week I would like to thank you for your continued and appreciated support.

I am legally not permitted to share outcomes from the inspection until after its official publication. I am told this will occur approximately 14 school days following the inspection. This would mean a publication date around 27 October which is during the half term break.

As a school we then need to present to OFSTED an action plan related to improving any areas of development highlighted from the inspection. In order to develop this plan we have booked an Inset Training Day on Monday 16 November which will replace the training day scheduled for Monday 11 April 2016.

In order to discuss the inspection outcomes with parents we will hold a presentation evening on Wednesday 4 November at 6pm. A hard copy of the report will be sent to parents on Monday 2 November.

Please complete the reply slip below in order for us to plan the evening presentation.

Yours sincerely

AS McFarlane
